Parent group discussion questions

Use these questions with the short '**Making connections**' video by Claire Burton available on the Kitchen Table Project YouTube channel: www.youtube.com/c/KitchenTableProject

1. How can you create a regular opportunity to connect with God, even in the busyness of family life?
2. Do you need to intentionally invest in reconnecting with those you live with? Can you think of something different to do together?
3. Is there another family from church you could connect with? Could you do something altogether? Or would you benefit from arranging a few activities to connect different family members?
4. Is there an individual friendship you would benefit from investing in? How can you strengthen that connection?
5. How could you help your children to connect with some school or church friends? Maybe you could arrange an activity on Zoom, write letters or send videos and photographs.
