Parent group discussion questions

Use these questions with the 'Talking Faith with Pete Greig' video available on the Kitchen Table Project YouTube channel: www.youtube.com/c/KitchenTableProject.

1. Do you tend to focus on praying reactionary prayers as things arise in your children's lives or do you tend to pray more proactively? Or a mixture of both?
2. What do you know about your children and their gifts and how could you pray around these things?
3. Do you have any scriptures or promises that you pray over your children? If not, take some time over the session (or in the next few weeks) to find verses/ promises that you will regularly pray over your children.
4. What could you do to be find a rhythm of being intentional in proactively praying for your children? For example, when you check on them before you go to bed at night or maybe you could save a photo of them as your screen saver on your phone/ laptop and pray these verses/promises when you look at their photo.
