## GAMES AND ACTIVITIES

### 1 Bible Race

Split into two teams or race against one other person and see who can find the verses the quickest. You might want to race against each other one verse at a time or find all of them.

- 1 Peter 1:25 Psalm 119:9 2 Timothy 3:16 Proverbs 30:5
- 2 Samuel 22:31 Matthew 4:4 Isaiah 40:8
- Luke 11:28 Job 23:12 Hebrews 4:12

### 2 Bible character fact file

Choose a Bible character and fill in the character fact sheet. You can do this with more than one character.

Name:

Something they did:

A book in the Bible where you will find them:

Something you like about them:

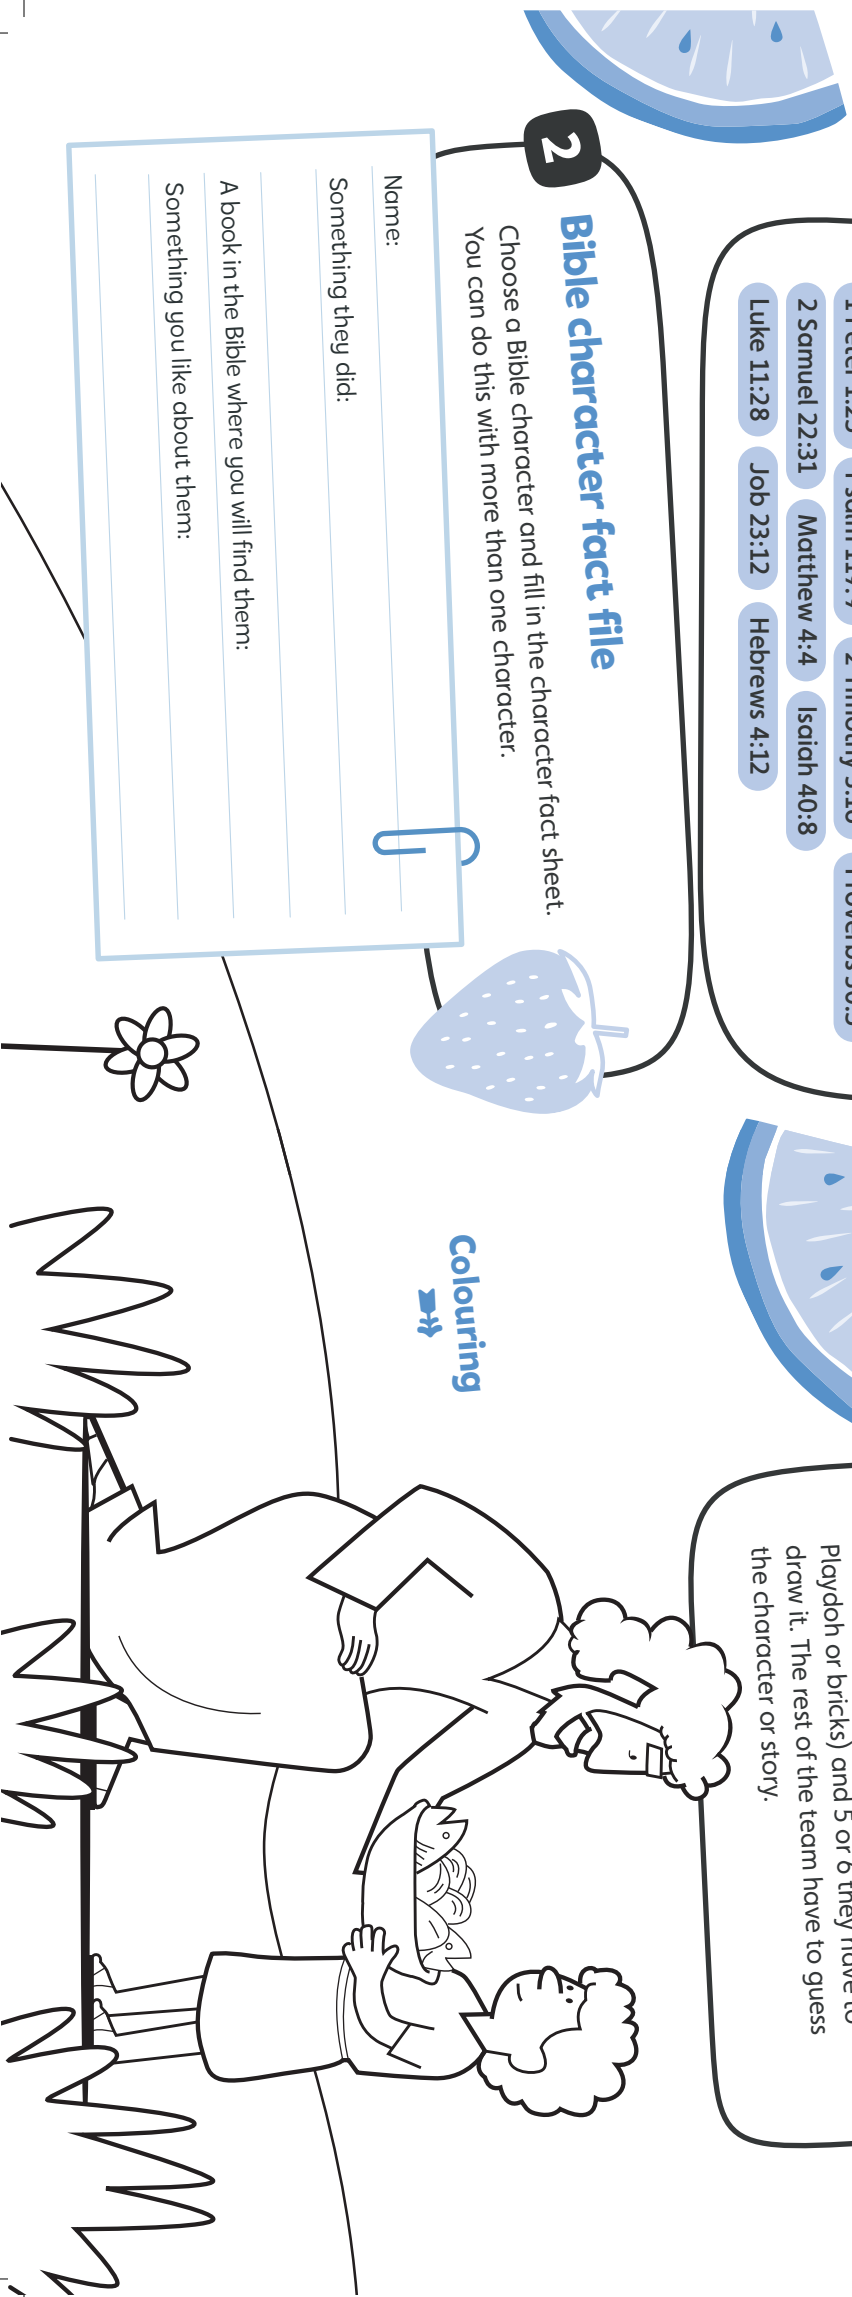

### 3 Who am I?

Write Bible characters on stickers. Each person chooses a sticker (without looking at the character) and sticks it to their forehead. Then they ask the rest of the team questions to try and work out who they are.

### 4 Act, build, create or draw

Split into teams. Write out 10 Bible characters or stories on pieces of card. One person from each team chooses a card and then rolls a dice. If it lands on 1 or 2 they have to act it out, 3 or 4 they have to create or build (using Playdoh or bricks) and 5 or 6 they have to draw it. The rest of the team have to guess the character or story.
