

Parent group discussion questions

Use these questions with the 'Tackling big questions: Talking Faith with Amy Orr-Ewing' video available on the Kitchen Table Project YouTube channel: www.youtube.com/KitchenTableProject

1. What are some of the simple things you naturally do to invest in your children's faith in everyday life?
2. If you're involved in ministry at church or elsewhere, how can you actively include your children in your ministry? How can you let them know you're in this together and they're part of what God is doing through you?
3. Our children watch how we interact with God – how can you make your relationship with God more visible to them?
4. Ali talks about how as parents we're often second guessing ourselves, do you relate? What can you do to remind yourself often that you're doing a great job of raising your children to know Jesus?
5. How can you engage your children in worship in a way that suits them? How can you make worship fun and engaging in everyday life?
6. What do you find challenging about sharing your faith with your children? What can you do to help you? Can you pray, draw on resources or find others to support you on this journey?
