Parent group discussion questions

Use these questions with the video 'Including our children in our faith journey: Talking Faith with Putty Putman', which is available on the Kitchen Table Project YouTube channel: www.youtube.com/KitchenTableProject

1. Re-visit the question: What do you want for your children spiritually? Are you working towards helping them in this at the moment?
2. Do you find it difficult if your children interrupt your time with God? How could you embrace it more?
3. Where do you serve others in life? How could you invite your children to be part of what you are doing?
4. Have you ever asked your children to pray for you? When could you ask them to do that this week?
